

## **PUBLIC RELEASES POLICY**

### **League of Women Voters of Clarion County**

In the interests of an informed League President and in order to allow a second opinion the Board has approved the following public releases policy:

1. Any material released to the public with a LWV endorsement should be cleared by the president prior to its release. Material may be duplicated and forwarded to the president; letters and press releases may be read over the phone or sent electronically. Posters, displays, speeches, radio/television shows, and social media may be cleared in substance rather than particulars.
2. Members should submit information or press releases through the public relations director well in advance of press deadlines.
